CAN-ROSS SPILL BERMS

Portable and Compact Secondary Containment

Aluminum L brackets
and yellow nylon carry bag
(Included)

Spill berm labels and
XR-5 chemical compatibility chart
(Included)

FEATURES & BENEFITS:

Constructed of 30oz XR-5 material

- Stronger and more durable than most other berms

Aluminum L-bracket wall supports

- Quick and easy set-up and break-down

Portable and compact

- Easy to transport and store

Ground Mat and Track Belting available (and recommended)

- Protects the bottom of the berm from punctures on rough terrain and the top of the berm from items lodged in tires or treads

All sizes available

- Custom product, made to order
- Typically 1-2 week lead time

Available in Arctic grade material

- Typically only 10% higher in price from our XR-5 material

Repair kits available if required
