

CONTRACTOR GRADE PRODUCTS

Now available in Oil Only & Universal

Each of these products features a robust product manufactured with a layer of spun bond polypropylene laminated in the middle of the fabric and then sonically welded together. This process increases both the loft and tensile strength of the product and ensures that either side of the material will not impede the capillary adsorbing action when picking up viscous products.

Oil Only

Universal

Part Number	Description	Qty	UofM	Weight (lbs.)
CG-200	Oil Only Light Weight Pad, 15" x 15"	200	Bale	10
CG-100	Oil Only Mid Weight Pad, 15" x 15"	100	Bale	8
